SOCIAL MEDIA:

- Everyone must be aware that posting in social media is like speaking into a live microphone. Media outlets, potential new sponsors and fans can and quite often do pick up on social media comments. Be aware all teams and speedways depend on their sponsors to race weekly.
- Therefore, we request all competitors and their teams respect the value of ours and your fan base and sponsors. By the time an offensive post or tweet shows up, it is too late to stop the spiraling effect for the Competitor and or the Speedway. You may feel that you cannot control the comments made in support of your initial comments, but that is not the case.
- Negative social media in any form posted about the above Speedway, Speedway officials and/or Competitors and their Crews will not be tolerated. Depending on the severity of the incident, fines or suspensions may be assessed. We request you to partner with us by speaking with your entire team of this newly adopted policy."
- *****It is HOWEVER all of our goals to personally address any issues or concerns you, your team or your sponsors may have in a professional and respectful manner for resolution. Please note we as Racetrack Owners/Promoters have a newly created a FB Group to discuss, communicate and address any and all negative social media posts. Again, we ask you and your team to partner with us to preserve, protect and promote short track asphalt racing in Florida. We thank you in advance for this consideration, and look forward to seeing you at the races.

INJURY:

- Anyone injured during the course of the racing program MUST notify the track EMS/EMTs and provide all required information prior to leaving the premises on that date in order to be eligible for any insurance benefits.
- Notifications made after that date will not be accepted and the insurance eligibility will be forfeited.
- If you are injured and you put in a claim for insurance or you have an injury visible to officials, you will be required to provide a Doctor's Release before you will race again.
- Doctor's Release must state that you are cleared to compete in stock car racing.

- Non-qualifiers will start on the rear. Invert will be 0, 2, 4, 6, 8 or 10 never more than half the field and drawn by a fan.

Race:

- All laps will be green flag. The original start is by the flagman.
- If we do not complete one green lap, there will be a complete restart with cars that pit or receive assistance on the rear.
- Lap traffic must stay to the inside.
- Jumping any start will receive the black flag and a drive thru pit lane at posted speed.
- No Lucky Dog inside of 5 to go.
- **IF you are disqualified from the feature race then you will lose all points and money for the night, this includes heat points as well.**

Caution flag:

- Stay in line and single file or you will go to the tail.
- To settle position disputes, we will revert to the last green lap.
- If you stop on or near the racing surface to purposely cause a caution, you will receive a 2-lap penalty.
- If you are involved in 3 cautions you will be disqualified for the remainder of that event.
- All cars involved in bringing out the caution will go to the rear unless you stop to avoid the accident or you tap out, you can tap the roof at the flag stand only and he will get his spot back and you will go to the rear.
- If you're in an accident stay in your car and let window net down until safety workers get to you or you will be disqualified. If you get out and go to another car or use your car as a weapon or run into another car under caution you will be parked and you will be suspended for at least 1 race or rest of the year and a \$250.00 Fine.
- Rough driving and taking someone out deliberately will not be tolerated and will result in going to the rear or disqualification.

Restarts:

- All restarts will be double file. All lapped cars will move to the rear of the lead lap cars.
- **At the 1 to go signal the leader will choose to start inside or outside. Everyone else will double up accordingly.**
- You will be told your position no more than 3 times, if you do not adhere the race will restart and your positions will be deducted at the end of the race. **You must be in formation, if you lag back behind the cars in front of you then you will lose your position.**
- No swerving, brake checking, lying back, or games of any kind will be tolerated. Leader starts the race in the box and everyone should remain in their lane until the start-finish line.

*** WHEN OFFICIALS AND SAFETY WORKERS ARE ON THE TRACK NO SCUFFING TIRES AROUND THEM OR YOU WILL BE PARKED. *****

Red flag:

- Stop immediately at the top of the track. Pits are closed. When track is cleared, field will move under yellow. Pits will open for anyone.
- If pit stop is made under red, restart tail end of field. No working on the car on the track. No crew members allowed on the track.

Finish:

- After the white flag is out, the next flag is the checker. If there is a problem, the yellow light will come on along with the green, Race to the finish. If the track is blocked, the red will come out and we will finish green/white/checker.
- Top 3 finishers stop on front stretch. Driver must stay with the car and drive to scales or you will be disqualified.
- **Everyone must stay 6' back from car in Victory Lane and Front Stretch at end of race. Checking tire and temperature is allowed only. You can not touch the body or chassis of the care until tech has inspected car and released.**

Any competitor having contact with the race leader, resulting in the leader spinning and or being eliminated from competition will be penalized. Race Control has the right to call over the radio to rescind this policy if the leader is considered, only by Race Control, to be blocking, unless that driver taps out.
